

# Volunteer Opportunities

- **Webmaster**
  - This individual would provide expertise to maintain and provide updates addressing current NLPA initiatives on our website. Provide enhancements to create a positive NLPA site and user experience. 4-8 hours/ month
- **Legal Advisor**
  - The NLPA seeks credible guidance in areas of testing documentation, and data credibility. We would also appreciate all input in areas of potential liability. Time commitment would vary but should be minimal.
- **Individuals with Grant Writing Experience**
  - Funding is a crucial component to maintain a water testing program. From time to time there are grants available that would greatly support the care of Norris Lake. The individual would need to research and find available grants and then write the grant proposals. The time commitment would vary, possibly 8 hours per month.
- **Board Positions:**
  - **Vice President**
    - Assist in coordinating and attending events. Attend quarterly meetings. Estimated 8 hours per month.
  - **Marketing & Communication**
    - The NLPA's community outreach is an important component to the overall success of its mission. Proficiency using social media and promoting and publicizing the NLPA on a frequent basis. Coordinating events and developing events and activities to promote the organization. Approximately 8-16 hours per month.
